adding the results of the voting rights identified as affirmative, negative or abstained by sum of the shareholders who attended the General Meeting of Shareholders to those exercised prior to the General Meeting.

The results of the voting rights exercised affirmative, negative or abstained regarding Proposals by the shareholders who attended the General Meeting of Shareholders are based on the "Confirmation Cards for the Exercise of Voting Rights" collected after the votes. Accordingly, the results of the voting rights confirmed by the "Confirmation Cards for the Exercise of Voting Rights" do not necessarily match the results of the voting rights exercised at each vote.

The voting rights of the shareholders who did not submit the "Confirmation Cards for the Exercise of Voting Rights" were counted as abstained regarding Proposals.
